# **Athletic Pure Pack**

Comprehensive daily packet providing core nutrients, fish oil, antioxidants, glutamine and energy cofactors including  $CoQ_{10}^{\dagger}$ 

### **INDICATIONS**

 Supports energy metabolism, muscle recovery and immune function in athletes and physically active individuals<sup>‡</sup>

#### **BENEFITS**

- Vitamins and minerals in highly bioavailable forms
- Vitamin C to support nitric oxide activity and immune function<sup>‡</sup>
- Activated B vitamins, including Metafolin<sup>®</sup> L-5-methyltetrahydrofolate (L-5-MTHF), the naturally occurring, universally metabolized form of folate for healthy red blood cell function<sup>‡</sup>
- Trace minerals, including manganese and copper, for healthy connective tissue integrity<sup>‡</sup>

### **FEATURES**

- Omega-3 fatty acids to support healthy cytokine balance‡
- 1,200 mg BCAA, 375 mg creatine monohydrate, 145 mg CoQ<sub>10</sub> and 50 mg alpha lipoic acid to support metabolic acid buffering, ATP synthesis, and muscular adaptations to resistance and endurance training<sup>‡</sup>
- Grape seed and superfruits help to moderate oxidative stress during training<sup>‡</sup>
- 850 mg l-glutamine for healthy muscle preservation and immune function<sup>‡</sup>
- Convenient, once daily packet

# **VERIFIABLE SCIENCE**

Athletic Pure Pack is designed to promote energy metabolism<sup>1</sup>, muscle recovery<sup>2</sup>, and immune function<sup>3</sup> with a comprehensive profile of bioavailable vitamins, chelated minerals, fish oil, and other ingredients. Each pack include activated B vitamins, including Metafolin® L-5-methyltetrahydrofolate (L-5-MTHF), the naturally occurring, universally metabolized form of folate, to support healthy red blood cell function.<sup>4</sup> Vitamin C is included to support nitric oxide activity and immune function.3 L-Glutamine also supports immune function, as well as healthy muscle preservation. Trace minerals, including manganese and copper, support healthy connective tissue integrity.6 Omega-3 fatty acids support healthy cytokine balance. Treatine supports metabolic acid buffering, 8 ATP synthesis and muscular adaptations to resistance and endurance training.9 Alpha lipoic acid is an antioxidant and cofactor that supports mitochondrial

function and energy metabolism. <sup>8,11</sup> Grape seed and superfruits contain polyphenols that may help to moderate oxidative stress during training. <sup>12‡</sup>

#### SUGGESTED USE

As a dietary supplement, take 1 packet daily (9 capsules), with a meal.

# **STORAGE**

Store in a cool, dry place.

#### WARNING

Take with food. If you have liver problems, consult your health professional before use. Vitamin K may be contraindicated with Coumadin (Warfarin). If you are pregnant or lactating, have any health condition or are taking any medication, particularly blood thinning medication, consult your health professional before use.

# **NOTES**

Box count 30 packets

Order code APP3B3

Each packet contains 9 capsules:

Athletic Nutrients: 3 vegetarian capsules

EPA/DHA essentials: 1 softgel capsule

BCAA (Branched Chain Amino Acids): 2 vegetarian

capsules

Ascorbic Acid: 1 vegetarian capsule

CoQ<sub>10</sub>: 1 vegetarian capsule

L-Glutamine: 1 vegetarian capsule
