

# Phyto UltraComfort<sup>†</sup>

Promotes musculoskeletal comfort and function<sup>†</sup>

## INDICATIONS

- Ages 18 and up
- Musculoskeletal comfort and function<sup>†</sup>

## BENEFITS

- Supports healthy enzyme and immune-mediator activities<sup>†</sup>
- May promote musculoskeletal comfort and function<sup>†</sup>
- Provides support for joint comfort<sup>†</sup>
- Helps to maintain healthy prostaglandin metabolism and blood flow<sup>†</sup>

## FEATURES

- Offers a blend of standardized botanicals
- Formulated willow bark, standardized to contain 15% salicin, a source of salicylic acid
- Made with high-quality vegan ingredients backed by verifiable science

## VERIFIABLE SCIENCE

Willow bark has a long history of traditional use for musculoskeletal comfort. Several randomized human trials illustrate its actions due to salicin, a source of salicylic acid.<sup>1</sup> Additionally, it helps to maintain healthy prostaglandin metabolism and blood flow.<sup>2</sup> *Boswellia serrata* has also revealed the potential to provide statistically significant support for joint comfort.<sup>3</sup> AKBA, or 3-acetyl-11-keto-beta-boswellic acid, may be particularly supportive in maintaining healthy 5-lipoxygenase enzyme activity and leukotriene metabolism to maintain tissue comfort.<sup>4</sup> Curcumin maintains healthy cyclooxygenase-2 enzyme activity while supporting healthy prostaglandin, leukotriene and thromboxane metabolism.<sup>5</sup> Devil's claw promotes both healthy cyclooxygenase-2 and 5-lipoxygenase enzyme activity.<sup>6</sup> A review of 12 human studies indicates that devil's claw may promote musculoskeletal comfort and function.<sup>7</sup> DL-Phenylalanine supports enkephalin activity.<sup>8†</sup>

## SUGGESTED USE

As a dietary supplement, take 2 capsules, 1-3 times daily, with meals.

## STORAGE

Store in a cool, dry place.

## WARNING

This product contains salicylates. Do not take if allergic to aspirin. Do not combine with aspirin or other products containing salicylates. Not to be used by pregnant or lactating women. Not to be used by children (ages 18 and under). Do not take with anticoagulant or antiplatelet drugs. If you have any health condition, particularly stomach problems or ulcers, or are taking any other medications, consult your health professional before use.

PHENYLKETONURICS: CONTAINS PHENYLALANINE

## SOURCE

- Willow bark extract is derived from *Salix alba* and standardized to contain 15% salicin
- *Boswellia serrata* extract is derived from the gum resin. One extract is standardized to contain 70% boswellic acids and the other is standardized to contain 30% 3-acetyl-11-keto-beta-boswellic acid (AKBA)
- Turmeric extract is derived from *Curcuma longa* root and standardized to contain 95% curcuminoids
- Devil's claw extract is derived from *Harpagophytum procumbens* and *Harpagophytum zeyhari* root and standardized to contain a minimum of 5% harpagosides
- DL-Phenylalanine is synthetically produced
- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil

## NOTES

Size 00 caps

Bottle count 60, 120

Order codes PIC6, PUC1

Bottle sizes 190 cc, 290 cc

# Phyto UltraComfort<sup>†</sup>

Promotes musculoskeletal comfort and function<sup>†</sup>

## SUPPLEMENT FACTS

2 capsules, 1-3 times daily, with meals.

Two (size 00) vegetarian capsules contain:

White willow ( <i>Salix alba</i> ) extract (bark) (standardized to contain 15% salicin)	535 mg
Indian frankincense ( <i>Boswellia serrata</i> ) extract (gum resin) (standardized to contain 70% boswellic acids)	200 mg
5-LOXIN <sup>®</sup> - <i>Boswellia serrata</i> extract Indian frankincense ( <i>Boswellia serrata</i> ) extract (gum resin) (standardized to contain 30% 3-acetyl-11-keto-beta-boswellic acid (AKBA))	25 mg
Turmeric ( <i>Curcuma longa</i> ) extract (root) (standardized to contain 95% curcuminoids)	100 mg
Devil's claw ( <i>Harpagophytum procumbens</i> and <i>Harpagophytum zeyheri</i> ) extract (root) (standardized to contain 5% harpagosides)	300 mg
DL-phenylalanine (free-form)	120 mg
Other ingredients: vegetarian capsule (cellulose, water), ascorbyl palmitate
